Sir:

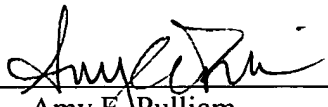

In accordance with the provisions of 37 CFR 1.322, Patentees request that a Certificate of Correction be issued to correct the above-identified patent in the manner indicated on the attached form PTO-1050.

It is apparent that the mistakes were incurred through the fault of the PTO, as is clearly shown by comparison between the patent and the application. Specifically, the correct priority date and the correct title are shown on the Transmittal Letter and the Declaration, both filed April 25, 2001.

Under the circumstances, Patentees respectfully assert that the instant request is proper, and that a Certificate of Correction should issue to make the indicated changes.

Respectfully submitted,

Ghislain DUFAU et al.
